Boston, Massachusetts

A R C H I T E C T S

Located along Boylston Street on the edge of Boston's Back Bay and behind Richardson's Trinity Church, the building respects both the street edge and street life of the neighborhood, with a piazza and a six-story platform base and a twenty-story office tower at the rear of the site. The street edges and piazza are lined with 50,000 square feet of shops and restaurants. There is a three-level below-grade parking garage that encompasses the footprint of the site. The tower houses the offices of The New England and Massachusetts Financial Services.
