

MANHATTAN SCHOOL OF MUSIC

New York City, New York

PHILIP JOHNSON • ALAN RITCHIE
A R C H I T E C T S

.This building is an important conservatory for jazz and classical music. It was designed by Shreve, Lamb and Harmon and built in 1931. Considerable research was needed for the correct selection of the various tonal elements such as carpeting, lighting and furnishings. The extensive restoration brought the auditorium back to its original glory of rich art deco colors, wood and metal work.

Client: Manhattan School of Music

Completion Date: 1994
